**About Renown Health**

Renown Health is a locally governed and locally owned, not-for-profit integrated healthcare network serving a 17-county region comprised of northern Nevada, Lake Tahoe and northeast California. Renown is one of the region's largest private employers with a workforce of more than 6,000. It comprises three acute care hospitals, a rehabilitation hospital, skilled nursing, the area's most comprehensive medical group and urgent care network, and the region's largest and only locally owned not-for-profit insurance company, Hometown Health. Renown has a long tradition of being the first in the region to successfully perform leading-edge medical procedures. For more information, visit [renown.org](http://renown.org).
